08 November 2019

Dear Parent/Carer

The mock examinations for Year 11 will commence on Monday the 11th November 2019. All students will attend school at the normal starting time of 8.40am and they will finish at 3.00pm. If they do not have an exam scheduled, or if an examination in the afternoon finishes early, students will be expected to go to their timetabled lessons. The Year 11 Mock exams are to enable students to experience what it will be like next year for their final exams and will be supervised under the same regulations as those final exams. All students will be given a seat number and the room the exam will be taken in. Students who have a clash, when two subjects that they are studying are on at the same time, will take one of the exams at the earliest possibility. Please see over leaf for the timetable and all students should have an individualised copy of this timetable.

A water bottle can be taken into the exam, but it must be clear and free of writing/decoration. All students will need a black pen, pencil, ruler, rubber, calculator (they cannot use a phone) and these can be carried in a clear pencil case. No ipods, mobile phones, mp3/4 players or smartwatches are allowed and must be left in their school bags which will be locked away or handed in before the exam starts. Failure to do this could result in disqualification from the examination and the overall qualification.

At the beginning of every exam the examinations officer will read out any instructions necessary for the exam and make it very clear that students not adhering to the rules of the exam will be in breach of the exam regulations. Any malpractice in the examinations will be dealt with in line with the exam board guidelines.

Mock exams, can be incredibly beneficial for students. Helping them to see that is part of the challenge. They can help students to start revising early, to practise effective revision strategies, to improve their knowledge, to familiarise themselves with pressure, and act as a guide moving forward. The exams also allow teachers to pinpoint areas of knowledge or exam techniques that need to be revisited and improved. These exams are an essential stepping stone in helping our students to prepare for their final exams.

Yours faithfully

Mr T. Hutchinson
Head of Year 11
