

Dear Parent/Guardian,

**RE: National Citizen Service (NCS) 2020 launch**

Flying Futures C.I.C. and your child's school are working in partnership and we are pleased to invite you to the NCS Summer 2020 launch for the North Yorkshire Coastal Opportunity Area! All schools, Year 11 students, and parents/guardians have been invited to come together for the evening to launch the Summer campaign!

**Date: Wednesday 13th November 2019**

**Location: Graham School, Woodlands Drive, Scarborough, YO12 6QW**

**Time: 5:30pm slot or 6:45pm slot (approx 1 hour session)**

Flying Futures C.I.C. are the local provider of NCS across the North Yorkshire Coast and are excited to work alongside your school to offer this opportunity to your young people. As you may know, NCS not only benefits the local community but it empowers young adults, help them build skills, experience something new and make the often difficult transition into adulthood.

**NCS Benefits to your School & Pupils**

- 8 in 10 teenagers finished NCS feeling more positive about people from different backgrounds
- 7 in 10 NCS graduates feel more confident about getting a job as a result of NCS
- NCS can support your school's Spiritual, Moral, Social and Cultural studies, and your efforts to promote British values
- There is no financial cost to schools that get involved with NCS

**What will the launch involve?**

Flying Futures C.I.C. are committed to offering this experience to as many teenagers aged 16-17 across the Opportunity Area and need your support to do so. Here's what the evening will include:

- Opportunity to meet other parents and school staff
- Presentation from Flying Futures C.I.C. launching NCS Summer 2020
- Handouts and freebies

We look forward to meeting you to promote this opportunity to your young people. If you wish to contact myself or Flying Futures C.I.C. please use the contact details below;
