22 May 2020

Dear Y10 parent / carer,

I would like to thank you for completing our survey about the re-opening of school for Y10. We still await further guidance from the government but I am in a position to give you a little more information about our plans.

In line with other secondary schools in Scarborough, we do not anticipate opening school to Y10 students until Monday 8 June. This will allow us to ensure we are fully prepared to welcome students to school. We are expecting further information from the government during next week, which will support us in finalising our plans.

I would like to stress that we will only open for small groups of Y10 students when we have government consent, and we will follow all guidelines published including a rigorous risk assessment. If you have indicated that you would like your child to attend school when we reopen to Y10, we will contact you using email with further details after half term. Should you have any questions please do not hesitate to contact us (admin@grahamschool.org).

I hope you are all keeping well and staying safe.

Yours faithfully,

Emma Robins
