	CONTROL MEASURES	ADDITIONAL INFORMATION	YES	NO
<p><i>Note: you must amend and adapt this generic risk assessment to suit your own needs by selecting the controls from the examples provided (adding and amending others where necessary) and then evaluate the overall risk for the activity/situation.</i></p>				
Contact Between Individuals Not Minimised and Social Distancing Measures Not Followed				
Consistent groups are in place which reduces the risk of transmission by limiting the number of pupils and staff in contact with each other to only those within the group	Year group bubbles in place and in zones. Pupils always in their zones / staff move between zones	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The school keeps a record of pupils and staff in each group, and any close contact that takes places between children and staff in different groups	Registers are taken every lesson / form time electronically. Seating plans are available for every class, held centrally for reference if necessary	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Primary schools may be able to implement smaller groups the size of a full class. If that can be achieved, it is recommended, as this will help to reduce the number of people who could be asked to isolate should	Circumstances need to be assessed and if class-sized groups are not compatible	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

someone in the group become ill with coronavirus (COVID-19).	with offering a full range of subjects or managing the practical logistics within and around school, you can look to implement year group sized 'bubbles'			
In the younger years in Secondary Schools (key stage 3), schools may be able to implement smaller groups the size of a full class. If that can be achieved, it is recommended, as this will help to reduce the number of people who could be asked to isolate should someone in group become ill with coronavirus (COVID-19).	This cannot be achieved because of the overall school number, available spaces and staff.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
In Secondary Schools, and certainly in the older age groups at key stage 4 and key stage 5, the groups are likely to need to be the size of a year group to enable schools to deliver the full range of curriculum subjects and students to receive specialist teaching. If this can be achieved with small groups, they are recommended	Bubbles will be by year group, based in one zone of the school but with access to specialist areas (prioritised for Y10 & 11 and some for Y7)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where staff or children cannot maintain distancing, particularly with younger children in primary schools, the risk is reduced by keeping pupils in the smaller, class-sized groups		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Whatever the size of the group, they are kept apart from other groups and older children are encouraged to keep their distance within their groups	Year groups are 'zoned'. A code of conduct will be in place to support social distancing.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools with the capability to do it should take steps to limit interaction, and the sharing of rooms and social spaces between groups as much as possible	Social times will be staggered to prevent cross year group interaction. Separate social spaces for each year group.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
It is recognised that younger children will not be able to maintain social distancing, and it is acceptable for them not to distance within their group		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Schools keep children in their class groups for the majority of the classroom time, but also allow mixing into wider groups for specialist teaching, wraparound care and transport	All mixing will be limited to year groups – students will move within their zoned area and sometimes to specialist areas for different subjects.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Boarding pupils can be in one group residentially and another during the school day		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Siblings may be in different groups	Where siblings are in different year	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	groups this will be the case			
Teachers and other staff operate across different classes and year groups in order to facilitate the delivery of the school timetable	The planned school timetable will be taught offering all subjects and teachers will move between 'zones'. A BSO will be attached to each year group as well as TAs. There will be an identified learning support area for each year group.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where staff need to move between classes and year groups, they should keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults	Staff will receive briefings and written direction to socially distance. Due to limited movement of students staff will be able to socially distance safely.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where possible adults maintain a 2 metre distance from each other, and from children	2m point will be taped on the floor at the front of each classroom. Staff will teach from the front. Lessons will be projected on to screen at the front. Visualisers used to display work and demonstrations for science , for e.g., will be at the front of the room (or via screen).	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Adults avoid close face to face contact and minimise time spent within 1 metre of anyone	Sufficient space for adults to maintain social distance. Clear guidance issued regularly to all staff in briefings (email) defining direct and proximity contact. Staff advised to adhere to expectation of avoiding contact.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Within the classroom a distance between people is maintained so far as reasonably practical	Teachers to remain 2m from students unless offering 1:1 support which will be for less than a	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	<p>minute with a face mask worn and standing behind students. TAs will be assigned to year group bubbles so will work within this distance. remaining side by side / behind where possible. All TAs wearing mask / visor or both</p> <p>N.B. Students will not be socially distanced in classrooms but will remain in their year group bubble.</p>			
Face to face contact time is reduced	Full timetable to be taught – all lessons / subjects. Social distancing will diminish direct, close contact.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Pupils are seated side by side and facing forwards, rather than face to face or side on	This will be in place in all teaching spaces.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff will work side on to pupils as opposed to face to face whenever possible	As above	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Educational and care support is provided as normal to pupils who have complex needs or who need close contact care	Teaching Assistants / Behaviour Support Officers to be allocated to year groups. Space identified for each year group for learning support withdrawal if needed.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools, local authorities, health professionals, regional schools commissioners and other services work together to ensure that children with medical conditions are fully supported, including through the use of individual healthcare plans, so that they may receive an education in line with their peers	All EHCP students fully supported. Any medical needs supported.. DfE guidance on supporting pupils at school with medical conditions remains in place	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Unnecessary furniture has been moved out of classrooms to make more space		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Large gatherings such as assemblies or collective worship with more than one group do not take place	Any assemblies will be remote either pre-recorded or delivered live using a secure platform.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<p>The timetable and selection of classroom or other learning environment has been used to reduce movement around the school or building</p>	<p>Year groups are zoned. The only movement will be adults. Lunchtime movement will be limited to one or two year groups and within this they will have separate . social and dining spaces within their bubbles.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Consideration given to staggered starts or adjusting start and finish times to keep groups apart as they arrive and leave school</p>	<p>Impossible to stagger start and finish because of size and breadth of catchment area. Each year group will use a different entrance / exit to and from school and report directly to their zones.</p>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
<p>Parents' drop-off and pick-up protocols planned to minimise adult to adult contact</p>	<p>Small number of parents drop off – they will be advised that they cannot get out of their cars.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Parents and pupils are told their allocated drop off and collection times and the process for doing so, including protocols for minimising adult to adult contact (for example, which entrance to use)</p>	<p>Letter to parents to include detail about drop off.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>It is made clear to parents that they cannot gather at entrance gates or doors, or enter the site (unless they have a pre-arranged appointment, which should be conducted safely)</p>	<p>Letter to parents to include detail about entering school site. Parents do not gather at gate. Duty staff will discourage.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>External entrances to classrooms are used where practical</p>	<p>Where possible but very few external doors.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Break times are staggered so that all pupils are not moving around the school at the same time</p>	<p>There are 4 different break times. Each bubble has its own location and staff will be on duty to supervise.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Lunch breaks are staggered</p>	<p>3 different lunchbreaks and 2 different serveries / locations. Bubbles kept within their own dining area. Y7 will have lunch on their own as they will</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	need more time. Cleaning to take place after each session. Water dispensers made available for students to get a drink in the lunch areas			
Numbers of staff using Staff Room are limited or the use of Staff Room is staggered to ensure that staff maintain 2 metres distance from each other	Limited access, space offered in other parts of the school for staff to use to minimise numbers using main staff room.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff meetings take place remotely where possible. Where this is not possible staff meetings take place in a large well ventilated room ensuring 2 metres social distancing at all times	All full meetings held remotely. Small sub groups join in large, ventilated spaces where necessary	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
School can resume non-overnight domestic educational visits	None planned at present. Any proposals to be agreed by Principal. Exception – collaborative courses with GPS recommenced w.c. 09.11 – fully risk assessed.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
During PE lessons pupils should be kept in consistent groups, sports equipment thoroughly cleaned between each use by different individual groups, and contact sports avoided.	PE lessons will be taught within bubbles, non-contact outdoor lessons have been planned by the department. Any equipment used will be cleaned.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Outdoor sports are prioritised where possible, and large indoor spaces used where it is not, maximising distancing between pupils and paying scrupulous attention to cleaning and hygiene	Athletics / orienteering will be run during Autumn term instead of contact sports. Significant outdoor spaces available and 2 large indoor areas. Changing Rooms will be cleaned between lessons.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Inadequate Cleaning / Sanitising				
A cleaning schedule that ensures cleaning is generally enhanced and includes more frequent cleaning of rooms / shared areas that are used by different groups is in place	Cleaning teams will now be employed throughout the day to make sure that high use/communal areas are kept clean and checked on an hourly basis. Toilets are to be allocated to each year group so will sit within the bubble	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<p>Schools send home those people who have been in close contact with the person who has tested positive, advising them to self-isolate for 14 days since they were last in close contact with that person when they were infectious</p>	<p>In the event of close contact (- face to face contact with an infected individual for any length of time, within 1 metre, including being coughed on, a face to face conversation, or unprotected physical contact (skin-to-skin)) those in close contact will be identified and sent home – likely to be the 'bubble' (year group and staff who have been with the bubble on that day. them of what action is needed based on the latest public health advice				
Public Health England has good evidence that routinely taking the temperature of pupils by the school is not recommended as this is an unreliable method for identifying coronavirus (COVID-19) so this does not take place	Temperatures will not be taken.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The school keeps a record of pupils and staff in each group, and any close contact that takes places between children and staff in different groups	Daily and lesson by lesson registers will be taken and kept. Rotas for duty will be timetabled and maintained.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Inadequate Hand Washing/Personal Hygiene				
Staff/pupils/cleaners/contractors etc. will be reminded to clean their hands regularly, including when they arrive at school, when they return from breaks, when they change rooms and before and after eating	Signage around school will reinforce the message about hand washing. School Covid Code of Conduct will be shared and visited regularly with all students – this emphasises handwashing. Time will be allocated to allow all students to wash hands regularly.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Hands are washed with liquid soap & water for a minimum of 20 seconds	See above	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The school has considered whether they have enough hand washing or hand sanitiser 'stations' available so that all pupils and staff can clean their hands regularly	Hand sanitiser in all classrooms and at entrances / exits. Stock levels checked on a daily basis and orders placed as required by the school finance team	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Alcohol based hand cleansers/gels (containing at least 60% alcohol) can only be used if soap and water are not available, but is not a substitute for hand washing. Such gels MUST ONLY BE USED UNDER CLOSE SUPERVISION. In normal circumstances pupils should not be using alcohol based hand cleansers because of the risk of ingestion.	Hand washing will be prioritised (as above). Cleanser / gel use will be staff supervised.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The 'catch it, bin it, kill it' approach is very important and is promoted	Catch it, bin it, kill it is part of the Covid Code of Conduct – displayed throughout school	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Disposable tissues are available in each room for both staff and pupil use	Tissues and bins with closing lids in each classroom.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Bins (ideally lidded pedal bins) for tissues are available in each room	Tissues and bins with closing lids in each classroom.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Risk assessments for pupils with complex needs that may struggle to maintain as good respiratory hygiene as their peers, for example those who spit uncontrollably or use saliva as a sensory stimulant, have been updated in order to support these pupils and the staff working with them	All necessary risk assessments will be produced. No student in the school has this type of complex need.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Inadequate Personal Protection & PPE				
In schools that are in areas where the COVID Alert Level is high or very high, or during periods of National Restrictions, adults (staff, visitors and contractors) in Primary Schools DO wear face coverings in areas outside of the classroom at the discretion of the Head Teacher		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
In schools where pupils in year 7 and above are educated, face coverings must be worn by adults and pupils when moving around the premises, outside of classrooms, such as in corridors and communal areas where social distancing cannot easily be maintained	Any exempt students / staff wear a sunflower lanyard or carry an exemption card	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In the event of new local restrictions being agreed, schools will ensure they communicate quickly and clearly to staff, parents and pupils that the new arrangements require the use of face coverings in certain circumstances	Regular and effective communication strategies in place – letters / texts / emails / briefings / website	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
It is not necessary to wear face coverings in the classroom, where protective measures already mean the risks are lower, and where they could inhibit learning	Staff and students may choose to wear a face covering in a classroom – this is at their individual discretion even though it is not necessary	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In such circumstances as face coverings are to be worn in school they must be worn correctly	Face coverings worn in line with guidance: https://www.gov.uk/government/publications/face-coverings-in-education/face-coverings-in-education	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Clear instructions are provided to staff and pupils on how to put on, remove, store and dispose of face coverings, to avoid	Guidance issued in briefings / letters etc.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

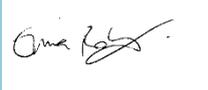

inadvertently increasing the risks of transmission				
Safe wearing of face coverings requires cleaning of hands before and after touching – including to remove or put them on – and the safe storage of them in individual, sealable plastic bags between use	Face coverings worn in line with guidance: https://www.gov.uk/government/publications/face-coverings-in-education/face-coverings-in-education	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where a face covering becomes damp, it should not be worn and the face covering should be replaced	Face coverings worn in line with guidance: https://www.gov.uk/government/publications/face-coverings-in-education/face-coverings-in-education	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where anybody is struggling to access a face covering, or where they are unable to use their face covering due to having forgotten it or it having become soiled or unsafe, the school has taken steps to have a small contingency supply available to meet such needs	A supply of face covering to be kept in school. These are issued at the school gates each morning to students who arrive without a mask. Also issued during the school day in the event of a mask being lost or damaged.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
School has a procedure for removing face coverings when those who use them arrive at school, and when to wear face coverings at school in certain circumstances	All expectations clearly communicated to everyone.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
PPE will need to be worn by a member of staff if a pupil becomes unwell with symptoms of coronavirus while in their setting and needs direct personal care until they can return home. A face mask should be worn by the supervising adult if a distance of 2 metres cannot be maintained. If contact with the pupil is necessary, then gloves, an apron and a face mask should be worn by the supervising adult. If there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn	PPE has been purchased and is available if needed for staff caring for unwell students with Covid19 symptoms.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Visitors, Contractors & Spread of Coronavirus				
All visits to the school are restricted to those that are absolutely necessary	Visits only to support education and essential for the safe running of the school.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<p>Parent and carer visits are suspended for:</p> <ul style="list-style-type: none"> • new admissions, • settling-in children new to the setting • attending organised performances 	<p>Only essential parental visits will take place.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>All visitors and contractors must make pre-arranged appointments or they will not be allowed on site</p>	<p>As per Trust regulations, all contractors and visitors should only visit site by prior appointment, this includes parents coming to collect students after contact by the school. Visitors wanting to attend school must phone in advance to let the school know they are attending</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>School ensures site guidance on physical distancing and hygiene is explained to visitors and contractors on or before arrival</p>	<p>All visitors and contractors asked to use the available hand sanitiser stations on entering the school building and also reminded to use on exit. Contractors must have covid-19 Risk Assessments to also take into account this making sure that they are compliant with government guidelines</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Where visits can happen outside of school hours, they are arranged as such</p>	<p>School entry for contractors is arranged for outside of school time. If not possible, they will be asked to follow school regulations when moving through the school</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Contractors to attend by agreement only after school have satisfied themselves that it is necessary for the visit to take place at that time and that all required controls are in place to allow the work to continue safely</p>	<p>School only to have contractors on site when absolutely necessary, this includes for compliance and health and safety reasons. All visits to be pre-arranged</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	and Risk Assessments and Method Statements to be provided where appropriate			
Contractors to provide updated risk assessment prior to visit which includes their own controls round infection spread prevention	Times of visits may need to be adapted to take in to account the ability to maintain appropriate social distancing measures and availability of resources to effectively clean following the visits	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
As normal, school engages with their local immunisation providers to provide immunisation programmes on site, ensuring these are delivered in keeping with the school's control measures	Any immunisation programmes will continue as normal ; these are essential for children's health and wellbeing	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
A record is kept of all visitors with sufficient detail to support rapid contact tracing if required by NHS Test and Trace.	All visitors details kept at reception	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Out-of-school activities (including wraparound care) may continue to operate if their primary purpose is providing registered childcare, or where they are offering other childcare activities, where this is reasonably necessary to enable parents to: <ul style="list-style-type: none"> work or search for work undertake training or education 	See Out-of-school activities and wraparound childcare section of Guidance for education-and-childcare-settings-new-national-restrictions-from-5-november-2020	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/> <input checked="" type="checkbox"/>
All other out of school activities, including lettings, not being primarily used by parents for the above purposes, should close for face-to-face provision for the duration of the national restrictions	All national and local guidelines will be followed (including from Hope Learning Trust)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In out-of-school settings, face coverings should be used where it is a requirement of the indoor setting or staff are likely to come into contact with other members of the public (complying with relevant coronavirus (COVID-19) sector guidance)	All national and local guidelines will be followed.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Inadequate Ventilation				
Occupied spaces must always be well ventilated and a comfortable teaching environment maintained	Where mechanical ventilation systems are in place they will	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	be used in line with guidance (if possible, systems should be adjusted to full fresh air or, if not, then systems should be operated as normal as long as they are within a single room and supplemented by an outdoor air supply)			
Ventilate spaces with outdoor air	Windows to be opened as often as possible – staff will be advised to do this. Trickle ventilation encouraged to minimise impact of cold weather. External doors opened as / when appropriate.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
				<input checked="" type="checkbox"/> <input type="checkbox"/>
Where possible, occupied room windows should be open	Windows to be opened as often as possible – staff will be advised to do this.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Keep toilet ventilation in operation as much as possible while building is occupied	Windows to be opened as often as possible – staff will be advised to do this.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Switch air handling units with recirculation to 100% outdoor air where this is not possible, systems are operated as normal	All units to be set for 100% outdoor air, air conditioner units and fans can be used as long as they do not redirect air into other rooms, windows only for ventilation purposes	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Prop doors open, where safe to do so (bearing in mind fire safety and safeguarding), to limit use of door handles and assist with creating a throughput of air	Windows to be opened as often as possible – staff will	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	be advised to do this.			
In cold weather where the school heating system is activated, windows are open to provide trickle ventilation rather than being fully open	Staff will be advised to do this.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to opening high level windows in preference to low level to reduce draughts	Staff will be advised to do this.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to only opening every other window instead of all windows when the heating is activated	Staff will be advised to do this.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The school offers flexibility to allow additional, suitable indoor clothing	Staff will be advised to allow students to wear additional clothing if necessary.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Furniture rearranged where possible to avoid direct drafts	Staff will be advised to do this.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Heating should be used as necessary to ensure comfort levels are maintained particularly in occupied spaces	Staff will be advised to do this.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
When heating is activated and windows are on trickle vent, consideration is given to employing desk fans to move any stagnant pockets of air	This will be done as necessary	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If school needs to use additional heaters they only use sealed, oil filled electric heaters	Additional, suitable heaters will be provided as necessary	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
